# BUILDING ON A LEGACY

In 1956 a small band of faithful men and women began with a dream and a rented campground. That dream would grow into a reality of service for generations. In 1965, seventy-eight acres of land were purchased in Eustis, Florida and the Central Florida Bible Camp was given a permanent home.

Many of the men and women who are part of the camp's founding generation are no longer on this earth, yet they have left lasting footprints on the grounds of CFBC. We are standing on their legacy of ministry and service. Because they gave of themselves, the children of Florida have a place to grow spiritually, emotionally and relationally. Generations have come and gone from the grounds of CFBC. Thousands of adult men and women are who they are today, due in part to their childhood time at the Central Florida Bible Camp.

Over the years, CFBC has become so much more than a place for children. While the youth of Florida continue to be its primary focus, it is also a place that promotes the whole person. Through summer camps, retreats, seminars and special events, CFBC walks with a person throughout their life.

# THANKFUL FOR OUR PAST, PREPARING FOR OUR FUTURE

Central Florida Bible Camp is a thriving ministry that is serving the whole person. Yet, as we seek to meet the needs of a new generation, it is time to reimagine and equip for the future. The camp's board of directors has spent countless hours dreaming, praying, researching and planning as we prepare to move forward. The board recognizes the legacy that has been created at CFBC, and are excited to move forward in building upon that legacy for the future.

- The current Bunkhouse Building will be converted into a new Camp Store and Canteen.

## PHASE THREE (\$1 MILLION)

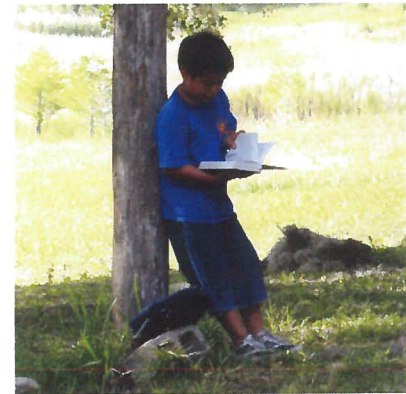

- A New Conference and Activity Center: This facility will be used for retreats, conference space, bible classes, devotionals, small group dining and much more.
- Expansion of the Chapel: The current chapel will be enlarged to allow for more seating and an improved media area. There will be a large platform in the front of the chapel to better accommodate the different camp activities.
- Dining Hall and Kitchen Expansion: The dining room will be expanded to accommodate more seating. The kitchen will be enlarged and updated. New restrooms will be built.

Central Florida Bible Camp has served several generations of young people well. Many of the men and women who grew up attending the CFBC, acknowledge that the camp played a significant role in shaping them into who they are today. We are thankful for our past and excited for our future. As we move FORWARD, the camp will be better equipped to serve future generations.

**Equipping for greater service is not easy, nothing of value ever is. It will require everyone who believes in Central Florida Bible Camp's mission to move FORWARD in faith. Current friends of CFBC, please join us in moving FORWARD! If you are not currently a friend of CFBC, please become one and move FORWARD with us! Leave your footprint and help us build an even greater legacy for future generations.**
